Mangalore, 18th February 1938.

From

M.R.Ry. Rao Bahadur M.V.Vellodi, Avl.,B.A.,
Collector of South Kanara.

To

The Secretary to the Board of Revenue,
Land Revenue and Settlement, Madras.

Sir,

Establishment - Temporary - Draftsmen - Further retention - 1938-39 - sanction sought -

Two temporary draftsmen have been employed in this district since September 1927, owing to the unusually large number of subdivisions that are being formed and sanctioned in this district. The sanction for their retention last obtained in G.O.No.Mis.160 dated 19.1.1937, expires at the end of March 1938.

2. During the 14 months ending 31.12.1937, the number of sanctioned subdivisions received for scrutiny in this office was 13,383 which works out to 956 subdivisions per month on an average, slightly larger than the average of last year. In addition to this, there were 7662 errata and land acquisition subdivisions received for scrutiny and plotting during the --- period. The one permanent and two temporary draftsmen now employed in my office actually scrutinized during the period 13,656 sanctioned subdivisions and 7662 errata and land acquisition subdivisions, at a first scrutiny besides scrutinizing for the 2nd time 9291 subdivisions and plotting 16081 ordinary and 4293 errata subdivisions in the Field Measurement Books. In addition to this work, the draftsmen also plotted 673 fields in the maintenance set of village maps and prepared copies of sketches comprising 1409 subdivisions during the period besides doing miscellaneous work such as comparing Taluk copies of Field Measurement Books with the maintained copies of village maps in this office relating to the non-resurveyed villages of Mangalore Taluk preparatory to sending them for print.

The work done by the draftsmen exceeds the prescribed out-turn. The number of subdivisions pending scrutiny and plotting on 1.1.38 was 4051.

3. The retention of the two temporary draftsmen is necessary both to clear off the arrears and to attend to current work; as the number of subdivisions sanctioned in this district does not show any signs of decrease. Necessary provision has been made in the budget estimate under "7 a. Land Revenue- Charges of administration - A. Taluk Establishments - Pay of establishments". I request, therefore, that the Board may be pleased to obtain the necessary sanction from Government.
